

Board Member Opportunity: Help Shape the Future of Aging in Newton

Are you passionate about helping older adults live independently, stay connected, and thrive in their community? Newton at Home is seeking engaged, community-minded individuals to join our Board of Directors.

About Newton at Home

Newton at Home is a volunteer-powered nonprofit membership organization dedicated to helping older residents age well in their own homes. For the past 15 years, our staff and volunteers have provided a range of non-medical services like transportation, minor home repair, tech assistance, and friendly visits as well as social, cultural, and educational programming that foster independence, connection, and a strong sense of belonging.

Board Member Responsibilities

Board members play a vital role in advancing our mission and supporting our organization's sustainability. Responsibilities include:

- Providing strategic leadership, governance, and oversight
- Serving as an ambassador for Newton at Home within the community
- Supporting fundraising efforts and cultivating community partnerships
- Collaborating with and supporting staff on major initiatives, such as event planning, program development, and new organizational priorities
- Participating in board meetings and serving on committees as appropriate

Ideal Candidates

We are seeking individuals who:

- Share our mission and commitment to diversity, equity, and inclusion
- Can commit to a three-year term
- Bring skills or experience in areas such as marketing, fundraising, finance, program development, or community engagement
- Are enthusiastic about contributing their time, talents, and networks

Why Join?

As a board member, you will help shape the future of Newton at Home, collaborate with a passionate staff and volunteer community, and make a meaningful, lasting impact on the lives of older adults in Newton.

Interested?

Please submit a brief statement of interest and resume to president@newtonathome.org. To learn more, visit www.newtonathome.org.
